**IN AND FOR THE COUNTY OF COCHISE**

---

**ADMINISTRATIVE ORDER NO. 2005-03**

---

**IN RE: THE MATTER OF COURT SECURITY IN THE JUSTICE AND SUPERIOR COURTS OF COCHISE COUNTY**

---

**Whereas**, the Court has reconsidered its existing security policies in light of changes in the security threat to judicial officers, courthouses and the public, prevailing national standards and recommendations from law enforcement agencies, and

**Whereas**, the Court has considered the comments and advisory recommendations of various stakeholders who access court facilities, and

**Whereas**, there is a demonstrable need for enhanced security in all current and future justice and superior court facilities in Cochise County, and

**Whereas**, Arizona Supreme Court Administrative Order 1996-25 defines the Presiding Judge's authority to establish court security policies and procedures, it is therefore

**ORDERED:**

1. Police Officers, whether or not in uniform, with official department-issued identification who appear in court as witnesses pursuant to a subpoena or for official business such as seeking a search warrant, and who do not have any pending family court or criminal case or order of protection or injunction against harassment or eviction or any pre-disciplinary or disciplinary proceedings against them, upon signing in at any designated security checkpoint, may keep possession of their weapons in court facilities. The Court Administrator shall establish sign-in procedures that include a verification that the police officer is complying with these judicial security policies. The Court recognizes that Police Officers in uniform who appear in court in the normal course of their duties are, by virtue of their duties, also additional security officials within court facilities. The Police Officer shall follow the policy of each judge as to whether weapons may be brought into a particular courtroom or checked in a gun locker before entering the courtroom.

2. A Police Officer who is coming to court as a party in a case shall not seek by-pass and shall not bring any weapons into court facilities. A Police Officer coming to court as a party should not wear a uniform. Under these circumstances, when a Police Officer is coming as a party to a lawsuit, a Police Officer shall go through screening as any other member of the public and be subject to the same rules as any other member of the public.

3. A Police Officer who is coming to court as a witness in the normal course of duty, but who has a pending family or criminal court case or order of protection or injunction against harassment or eviction case or a pre-disciplinary or disciplinary hearing pending, upon signing in at any security station in court facilities, shall place all weapons into a gun locker before entering the court facility and proceed through the regular public security screening process.

4. A Police Officer without official department-issued identification, who is not readily identifiable as a law enforcement official, shall not bring a weapon into court facilities.

5. For purposes of this Order, the term "Police Officer" includes federal, state and local law enforcement officers, probation and surveillance officers, detention and corrections officers, who are authorized by their employing agency to carry firearms in the course of their official duties.

6. Police Officers must have any firearm secured in a "level-two" safety holster, i.e., one with a security strap in place. Firearms in open-top holsters shall not be permitted in court facilities.

7. Police Officers not in uniform who have their weapons visibly displayed must also have official identification or badges visibly displayed while in court facilities.

8. This administrative order supercedes and supplants all previous administrative orders pertaining to weapons in justice and superior court facilities in Cochise County.
