INTRODUCTION

I would like to introduce the Resource Guide for the Communities of Cochise County. This guide contains information on a variety of services and programs offered by agencies in this wonderful County to assist and serve our growing populations.

Thank you to all who have contributed and assisted in keeping information current. This is a living document, so please continue to provide current information on your agency and on resources and information that are not included. The "Organization Spotlight" form is available to assist in submitting or updating agency and program information.

Be sure not to miss out on current events, trainings, vital information and resources through the ***Cochise Network and Resource Listserv,*** the ***Cochise Community Connections Facebook*** page and the **Cochise Connections website**. The Resource Guide can also be found on the following websites, Cochise Connections: http://www.cochiseconnections.org/ & the City of Sierra Vista: http://www.sierravistaaz.gov/category/subcategory.php?categoryid=12

For more information, to update or add agency entries to the Resource Guide or to be added to the Cochise Network and Resource Listserv, submit inquiries to: SRichards@cenpatico.com

Description: Arizona Workforce Connection promotes and supports a workforce system that offers solutions to achieve and sustain economic prosperity. We are a private/non-profit organization (managed by Cochise Private Industry Council) that is federally-funded to administer the Workforce Investment Act (WIA). We provide services, at no cost, to employers and job seekers in Cochise, Graham & Greenlee counties. Our organization streamlines multiple employment and training programs into an integrated One Stop system, simplifying access for employers and job seekers.

We partner with employers in job development (we can post jobs online through www.azjobconnection.gov and provide assistance with the hiring process (we can recruit, screen and interviewing space is available if needed). At times, we may be able to create and/or direct employers to customized training programs tailored to meet their business demands. We also provide employers with Rapid Response services if a layoff or shutdown is expected to assist affected workers.

We have several One Stop locations that can be found by accessing our website, www.seazworkforce.org . Our offices provide clients with access to equipment such as computers with high-speed internet access, phone, fax and copier for job search related purposes. We offer priority of service to veterans. In addition, we assist with resume writing, professional skills development, labor market/occupation information, career counseling and job referrals. Some job seekers may qualify for educational training (based upon eligibility/grant funding availability). If selected, the job seeker will receive one-on-one assistance and case management services.

Some of the grant programs available are:

- Dislocated Workers-those who are laid off and need to find work
- Adults-those looking who might be under-employed, are looking for advancement or higher paying jobs
- Displaced Homemakers-those who are recently divorced/widowed and others who need to return to the workforce
- Youth-for low-income, at-risk youth and young adults from ages 14 to 21
- Title V/Older Americans-adults over 55 who need training to help secure job placement

Arizona Workforce Connection is an Equal Opportunity Employer. Auxiliary aids and services are available upon request to individuals with disabilities. Please note that other services may be provided based on individual needs, grant funding and/or based on operating law.

DES - Department of Child Safety (DCS)

Description: DCS Guiding Principles

- Children need safe, strong families to succeed in life.
- Child safety, permanency and well-being are our top priorities.
- Families have the primary responsibility for raising their children.
- Families should be treated with respect, valuing their strengths, their culture and their involvement in decisions that affect them and their children.
- Prevention is paramount, and all actions should focus on improving family situations.
- Children belong with families-their own, when safe to do so and when it is not, with a safe, permanent family as soon as possible.
- The community must be a partner in supporting and strengthening both birth families and resource families.

DES - Division of Developmental Disabilities (DDD)
Website: https://www.azdes.gov/ddd/
Eligibility: DDD supports individuals with the following diagnoses: Cerebral Palsy; Epilepsy; Autism; and Cognitive/Intellectual Disability.

- Infants and Toddlers under age 6: Must have a developmental disability or exhibit significant delay in one or more areas of development that could lead to a developmental disability.
- Age 6 – Adult: A person must voluntarily apply, be an Arizona resident, and be diagnosed with a developmental disability which was manifested before the age of 18 and is likely to continue indefinitely.

Intake Process: The Arizona Early Intervention Program (AzEIP) is Arizona's statewide, interagency system of supports and services for infants and toddlers with developmental delays or disabilities and their families. AzEIP partners with community providers to support families.

Description: SEAGO serves the four counties of Cochise, Graham, Greenlee, and Santa Cruz. The Southeastern Arizona Governments Organization (SEAGO) is a regional planning agency that manages the following programs:

- Area Agency on Aging
  - Case Management
  - Family Caregiver Support
  - Health Promotion
  - Medicare and Health Insurance
  - Long Term Care Ombudsman
  - Meals Program

The SEAGO Area Agency on Aging serves people who are age 60 and over and/or their family members and a limited number of disabled adults by providing information and assistance in accessing services that will help older adults stay in their own homes and communities. The goal of an Area Agency on Aging is to enable older people to maintain maximum independence and dignity in the least restrictive environment. The amount of assistance that is provided is dependent upon the needs of the older adult. These services can be short-term (such as getting signed up for a prescription drug program) or long-term (such as someone who is frail or who has a chronic health condition receiving ongoing monitoring and support from a Case Manager) and anywhere in between. Examples of community-based services include: congregate and home delivered meals, caregiver support, case management, housekeeping, personal care and help with benefit questions. Many of these services are provided on a donation basis and are delivered at the local level. For further information, contact Wanda Leikem at the SEAGO AAA at (520) 432-2528 Extension 208 or wleikem@seago.org . The SEAGO Area Agency on Aging is located at 300 Collins Road, Bisbee, Arizona 85603.

- **Integrity**: We will be open and honest in our interactions with others.
- **Respect**: We will treat others fairly and honor the dignity and worth of all individuals.
- **Stewardship**: We will ensure responsible use of all assets entrusted to us.

Serving Communities in Cochise and Eastern Santa Cruz Counties including Sierra Vista and Fort Huachuca, Tombstone, Bisbee, Douglas, Benson, Willcox and Sonoita.
BUDGET
The Foundation Corpus is approximately $50 million which will be used to fulfill the Mission of the Legacy Foundation of Southeast Arizona.
PLAN
The Legacy Foundation will focus on collaborating with other organizations and supporting initiatives that improve the health and wellness of the region. Grants will be awarded in three ways:

1. **Strategic:** specific initiatives the Foundation will identify based on the outcomes of a Strategic Assessment study combined with information contained in existing public health data.
2. **Responsive:** in response to special requests or needs from the communities served.
3. **Emergent:** in response to urgent or immediate community needs.

In fulfilling its Mission, the Legacy Foundation anticipates playing a significant role in supporting capacity-building efforts and convening organizations throughout the region.

NAZCARE Warm Line for the Deaf & Hard of Hearing

WARM LINE

NAZCARE sponsors a statewide Warm Line. The warm line operates from 5 to 10:30 seven (7) days a week. The warm line is there as a friendly, supportive voice to help a person deal with stress, issues in recovery and to alleviate loneliness and isolation. It operates in the dark hours and after NAZCARE's and guidance clinic hours are over as a support system. If you need a friendly supportive voice, give the warm line a call at 1-888-404-5530

Warm Line
for the Deaf & Hard of Hearing
Embracing Recovery to Empower and Change Lives

Warm Line is a call center with trained mentors who are there to listen and provide support service for anyone. For individuals who are Deaf and/or Hard of Hearing(D/HH), videophones and text messaging are now available with trained mentors who are also D/HH. Do you feel depressed? Sad? Lonely? Stressed? Anxious? Call the Warm Line! You can express your concerns to us through videophone and/or text messaging. We'll be there to listen. You don't need to worry about being judged by us because it is required to keep our conversations confidential. We are here for you!
