HOUSEHOLD HAZARDOUS WASTE DISPOSAL

For Residents of Cochise County
Household Hazardous Waste has a no charge service fee

Household Hazardous Waste (HHW) includes any household product that is flammable, corrosive, toxic, or explosive under certain conditions. HHW contain ingredients that make them a potential danger to people, animals and the environment.

Proper Disposal is Important!

It could be dangerous to dispose of hazardous waste in the trash, or on the ground. Proper disposal is easy. Simply drop off items at a Household Hazardous Waste Collection site.
