An answer has been filed in this case. Upon completion of the Parent Education Program by both parties, this case is transferred to the Family Conciliation Court for mediation of legal decision-making and/or parenting time issues pursuant to Rule 10(f) Local Rules of Practice for Cochise County and A.R.S. § 25-381-19. Mediation will be scheduled only after both parties have completed the Parent Education Class.

All parties must attend the mediation in person unless exempted by further order of the court.
