Important Questions	Answers			Why This Matters:
What is the overall deductible?		In-Network	Out-of-Network	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
	Per participant:	\$3,000	\$5,000	
	Per family:	\$6,000	\$10,000	
Are there services covered before you meet your deductible?	Yes. Preventive care services, performed by a network provider, are not subject to the deductible.			This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.			No. You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan?		In-Network	Out-of-Network	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
	Per participant:	\$3,000	\$10,000	
	Per family:	\$6,000	\$20,000	
Health Savings Account: Access to an HSA is available for eligible participants when enrolled on this plan. Funding may be used for reimbursements of eligible health expenses. Employee only level coverage has access to up to \$3,600/annual HSA funding. Employee plus one or more coverage tiers have access to up to \$7,200/annual HSA funding. You may contribute an extra \$1,000 annually for each person covered under the HDHP option who is age 55 or older at the end of the plan year in which you enroll in the HSA.				

Important Questions	Answers	Why This Matters:
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, pre-certification penalty amounts, balance-billed charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes, for Medical: BlueCross® BlueShield® of Arizona. For a list of in-network providers, call BCBSAZ at 1-800-232-2345 or visit www.azblue.com/CHSnetwork . Yes, for Prescription Drugs: For a list of retail and mail pharmacies, log on to www.navitus.com .	This <u>plan</u> uses a <u>provider</u> network. You will pay less if you use a <u>provider</u> in the <u>plan's</u> network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware, your <u>network provider</u> might use an out-of-network provider for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .
