

Electronic Filing of Subsequent Documents in Criminal and Juvenile Cases is Now Available in eFileAZ

Electronic filing in criminal cases is now available in 14 of 15 counties (Pima County not available) and electronic filing in juvenile delinquencies is now available in 13 of 15 counties (Pima and Yuma Counties not available). To assist the Arizona superior court with conducting business in a manner that reduces the risk associated with the current public health emergency, the Arizona Supreme Court has expanded the eFileAZ eFiling application to accept electronic filings of non-case-initiating documents in criminal and juvenile cases.
