

Praise & Preparedness Partnership Checklist

Your organization must create or update a facility emergency plan, as well as complete another three (or more) actions below to be recognized as a partner in the campaign. Please provide details of your actions in the information area provided under each bullet.

Create or update a facility emergency plan (MANDATORY)

Add info: _____

Create a communications plan to contact congregants in the event of an emergency

Add info: _____

Work with other local organizations to organize, sponsor or participate in an emergency preparedness fair

Add info: _____

Conduct at least one evacuation drill each year or participate in at least one statewide drill, such as the tornado drill conducted during Severe Weather Awareness Week each February

Add info: _____

Promote individual emergency preparedness to members, through a newsletter or other means

Add info: _____

Please consider contacting Cochise County Office of Emergency Services (OES) to discuss the partnership program and how it can benefit the community, especially if you plan to conduct training related to local disaster relief. Once you have completed these actions, you may call Cochise County OES at (520) 439-9220 or email Cyndi Carina at ccarina@cochise.az.gov.
