FOR IMMEDIATE RELEASE: All Cochise County Departments and Offices Remain Open for Business

Despite the shutdown of the federal government and the subsequent stopping of many U.S. government activities, the Cochise County Board of Supervisors wishes to emphasize that all county departments and offices remain open for business as usual. This includes operations at all county facilities.

Even federally funded programs, such as the Women, Infant, and Children Program (WIC) are continuing at this time.

For up-to-date information on county services, please visit our website at www.cochise.az.gov. Additional federal government information may found at www.usa.gov.
