X-rays are available for a positive PPD with no x-ray in the past month - a small fee may apply. Follow-up surveillance TB Clinics are utilized to detect and monitor TB Disease. All Cochise County residents are eligible. See the TB Program section of our webpage or contact us at publichealth@cochise.az.gov for information.

Child Care Health Consultant - Our CCHCs are Registered Nurses who work directly with child care providers in child care settings and provide consulting services, community resource information, and referrals. The goal is to promote a safe, healthy environment for staff and children. To achieve that goal, CCHCs work with families, childcare staff, and health care providers to ensure all children have all of their needs met and are able to fully participate in the child care program. They also work to reduce the incidence of injuries, decrease the spread of infection, and facilitate well child preventive care. CCHCs may consult either by phone or on-site, depending on the program’s needs. Contact us at: 520-432-9464.

Office of Vital Records - Certified copies of birth and death certificates for persons born in Arizona. We are able to access most years in electronic or imaged records, please ask for availability. You can pick up an application at any of our sites (locations below). Completed applications can be dropped off at 1415 Melody Lane, Bldg A, Bisbee AZ or mailed to: Office of Vital Records, PO Drawer 4338 Bisbee AZ 85603. You will receive your certified certificate in 7-10 days. You can also complete an ONLINE APPLICATION at the VitalChek website - www.vitalchek.com. Email us at: vitalrecords@cochise.az.gov or visit our webpage at https://www.cochise.az.gov/health-and-social-services/office-vital-records. Questions? Contact us at: 520-432-9406.

Environmental Health Programs - To ensure a safe and healthy environment for the residents of Cochise County, the Environmental Health Division (EHD) provides many services: Food Safety – education and routine inspections of a variety of food facilities. Recreational Health -- education and routine sanitary inspections of public and semi-published swimming pools. Public Accommodations -- routine sanitation inspections of hotels/motels/RVs and trailer/RV parks. Vector Control -- surveillance and public education of insects and animals that could pose public health threats. Complaints -- investigation of citizen complaints and nuisance situations. Smoke Free Arizona -- complaint investigation services of Proposition 201. Visit our webpage for more detailed information and fee schedule, or contact us at envhealth@cochise.az.gov

Area Agency on Aging - Case Managers work with individuals, their families, caregivers and support systems finding resources for elderly (60+) and disabled individuals with the purpose of keeping them in their own homes for as long as safely possible. Funded by SEAGO and the County’s general fund. After a comprehensive client assessment and depending on SEAGO funding, services such as home delivered meals, housekeeping, personal care, and respite may be available. Referrals to community resources are provided as well. Contact us at: 520-432-9680

Public Fiduciary - The Public Fiduciary serves as the court-appointed guardian, conservator or personal representative of last resort when there is no other party with higher statutory priority. The Public Fiduciary investigates whether the need for court appointment exists and whether the appointment of the Public Fiduciary is appropriate. County funds are not used to pay for the ward/protected person’s expenses. Each ward/protected person’s income and assets are used to satisfy their needs and pay for their expenses. Contact us at: 520-432-9660

Indigent Burial - The Cochise County Indigent Burial Program is committed to providing dignified final arrangements for those who die in Cochise County without funds to pay for a burial. Application forms may be obtained through local funeral homes.
WIC (Women, Infants & Children Supplemental Nutrition Program)

WIC is a special supplemental nutrition program for women, infants and children. Services include a complete nutritional assessment to determine health risks, assistance with obtaining nutritious food packages, nutrition education and counseling, and referrals to other pertinent programs.

Our healthy food packages can provide foods such as:
- Fresh fruits & vegetables
- Whole wheat bread/brown rice/soft corn tortillas
- Whole grain cereals
- Milk/soy and goat milk/lactose-reduced milk
- Cheese/ tofu

Education is provided on nutrition and breastfeeding and breastfeeding women are provided with a peer counseling service. Pregnant and post-partum women, infants and children up to age five are screened and assessed as to their nutritional risk, income level and residency.

Services are provided at no cost for families under 185% of Federal Poverty level. Call 877-942-2477 or contact us at nutrition@cochise.az.gov.

Maternal & Child Health Home Visiting

Trained Parent Educators guide women through their pregnancy and the first two years of a child’s life using the evidence-based home visitation curriculum Partners for a Healthy Baby, bringing program services to the family as needed, including:
- Developmental screening and assessment known as “Ages and Stages” completed on infants and children to determine the need for further evaluation of special needs that the child may have.
- Depression assessment to determine if client may need further assistance beyond dealing with the “baby blues.”
- ATOD (Alcohol, Tobacco & Other Drugs) assessment on each new client to determine if further evaluation or support is needed.
- Health and home safety assessments to assure healthy and safe surroundings in the home of a newborn/child.
- Lay counseling and education on a variety of maternal child health issues, provision of referrals to other programs as needed.
- Breastfeeding support and education provided by trained personnel.
- Car seat safety classes are available to the public.

Our services are provided at no cost to the public. To make a referral call 520-803-3923 or contact us at homevisiting@cochise.az.gov.

Healthy Living Classes (for prevention and self-management of chronic diseases)

The Healthy Living Program provides a series of workshops that help individuals or their care givers manage their chronic illnesses. Anyone with a chronic condition such as diabetes, arthritis, heart disease, asthma, or any other ongoing health condition can participate. There is no cost for workshops. Contact us at healthyliving@cochise.az.gov to find out our workshop schedule.

Teen Pregnancy Prevention Services

Trained Health Educators provide evidence-based prevention curriculum upon request by schools, youth programs and other venues. All curricula emphasize the importance of healthy lifestyles by providing teens with the knowledge to make informed decisions. All components provide an abstinence-based message. We also offer an Active Parenting workshop to parents of teens which assist parents on how to talk to teens about various teen issues. There is no charge for our services. To schedule a class at your site, contact us at healthyliving@cochise.az.gov.

Tobacco Prevention Services

Our trained Health Educators work with youth, adults, health care organizations and businesses to educate for and encourage policy change to support tobacco cessation:
- We provide education and training for health care organizations and businesses to implement an ASHLine referral process in their organization. ASHLine - the Arizona Smokers’ Helpline - provides FREE smoking cessation coaching & NRT.
- We have a county-wide Youth Coalition which promotes tobacco prevention messaging to youth peers, focuses on community-wide policy change to reinforce tobacco cessation and assists at school and community events.
- We partner with the Attorney General’s Office and trained youth to conduct compliance checks to reduce tobacco sales to minors.
- We provide a 2-hour Retailer Education training for tobacco vendors about the laws regarding tobacco sales to minors.
- We provide Youth Tobacco Diversion Trainings at schools and juvenile courts.

There is no charge for our services. To make a referral contact us at healthyliving@cochise.az.gov.

Worksite & School Wellness

We provide technical assistance and training to businesses to implement their own worksite wellness program and we partner with schools to assist with the implementation of the SHI/SHAC/SHIP process. There is no charge for our services. Contact us at healthyliving@cochise.az.gov.
