

SHARPS LABEL USE INSTRUCTIONS:

Print these labels to create approved sharps disposal containers.

1. Save an empty, hard-sided sealable non-food plastic bottle from your home, such as a laundry soap or bleach bottle.
2. Apply these labels to both flat sides of your hard-sided container, with tape.
3. Place your used needles, syringes and lancets into this labeled container.
4. When full, seal the lid tight, and apply tape around the lid covering the threads.
5. Save another empty hard-sided non-food bottle and repeat this process.
6. Take full sharps containers to a designated location. For a list of locations in Cochise County Call 520-432-9407, email: sharpsdisposal@cochise.az.gov, or visit us online at www.cochise.az.gov/health-and-social-services/sharpsdisposal
7. New labels can also be obtained at the disposal locations.
