### Victim Satisfaction Survey

Our records indicate that you were a victim in a recently completed court case involving **JUVENILE NAME**. Please help us more effectively meet the needs of future victims by taking a moment to complete this survey. This questionnaire is specific to the assistance that you received from Cochise County Juvenile Court Services, which includes: Juvenile Detention, Juvenile Probation and the Victims' Rights Program. If you have concerns or comments about any other agency involved in your case, please contact them directly. Please return all completed surveys in the stamped, self-addressed envelope provided for you or via fax number provided above. All returned surveys are confidential.

*If the Juvenile involved was never arrested or held in the Cochise County Juvenile Detention Facility, please begin with Question #4.*

1. If the juvenile was arrested for the crime, were you notified of a detention hearing?  
 Yes                       No                       Other: \_\_\_\_\_
  
- 1a. If you answered yes to #1, how were you notified?  
 By Phone                       By Mail                       Other: \_\_\_\_\_
  
2. Were you notified when the juvenile was released from detention?  
 Yes                       No
  
- 2a. If you answered yes to #2, how were you notified of the release?  
 By Phone                       By Mail                       Other: \_\_\_\_\_
  
3. Were you notified of the terms and conditions of this release?  
 Yes                       No                       Other: \_\_\_\_\_
  
- 3a. If you answered yes to #3, how were you notified?  
 By Phone                       By Mail                       Other: \_\_\_\_\_
  
4. If the Juvenile was adjudicated (found responsible for the offense) or pled guilty: Were you notified of the date, time and location of the disposition (sentencing) hearing, and the right to receive a copy of the pre-disposition report that Juvenile Probation prepares?  
 Yes                       No                       Does not apply
