"Public Programs...Personal Service"

Tentative / Final Plat Application

Applicant's Certification & Acknowledgement

By signing below, I certify that:

1. I am the Owner or authorized Agent of the Owner of the property being developed.
2. I am applying for the meetings/ review(s) indicated below.
3. I have read and understand the information provided in this Application Guide.
4. This application is complete and accurate to the best of my knowledge. Submission of false information may constitute fraud, and may be punishable by fine, imprisonment, or both pursuant to A.R.S. §13-2310.
5. I hereby request all inspections necessary to process this application, and if the permit is issued I request all inspections necessary to monitor progress, and document completion, at all stages of the work related to this permit.

By signing below, I acknowledge that:

6. Incomplete or inaccurate submittals by the Owner, Applicant or any other representative may result in delays, return of submittals, or denial of this application.
7. The submittal is subject to an administrative review of 10-business days (5-business days initial review, 5-business days resubmittal review) at which time I will receive written or electronic notice if the application is complete or, in the case of an incomplete application, a list of deficiencies that need to be corrected. An application will not pass the review for administrative completeness until all deficiencies have been corrected.
8. If the County does not issue a written or electronic notice of administrative completeness within the 10-business days, the submittal will be deemed administratively complete and the substantive review process begins.
9. The overall review time is 160-business days for Option 1, and 220-business days for Option 2.
10. The substantive review process is 150-business days for Option 1, and 210-business days for Option 2.

The Applicant must choose one of the following options for the substantive review:

A single review option that allows for one comprehensive review and complete comprehensive correction letter requesting information; or

A supplemental request option allowing up to 3-subsequent reviews.

By signing below, I acknowledge that:

11. A complete response will be submitted to Cochise County for any subsequent reviews.
12. The Applicant or Agent will be sent written or electronic notice of a permit approval or denial within the substantive review period.
13. All required permits must be obtained prior to any construction and failure to obtain permits may result in fines or other penalties.
14. The Applicant or Agent is responsible for all changes and additional time required to correct plans and/or development as a result of differences between the proposed use and what is permitted in the zoning district in which the property lies.
15. The project review process and timeframe is suspended when a project triggers the requirement for an application for approval by an Outside Agency, the Planning and Zoning Commission, and/or the Board of Supervisors. If either the Planning and Zoning Commission or the Board of Supervisors approves the request contained in the application, then the Community Development Department will resume the project review process. If the Board of Supervisors denies the request, then the Community Development Department will consider the project to be denied.

By signing below, I acknowledge that:

16. An appeal protesting any denial of an application may be made to Cochise County Community Development Department, Planning Division Deputy Director, Beverly Wilson, at 1415 Melody Lane, Bldg. E., Bisbee, Arizona 85603. The appeal shall set forth all relevant facts pertaining to the denial, and must be in writing. It must be filed within ten-days from the date of the denial letter.
17. If the County does not issue to the Applicant the written or electronic notice granting or denying a license within the **overall** time frame or within the mutually agreed upon time frame extension, the County SHALL refund the Applicant all fees charged for reviewing the applications and SHALL excuse any fees not yet paid. The refund SHALL be made within 30-working days after the expiration of the agreed upon time frame pursuant A.R.S. § 11-1605(J).

FINAL PLAT PROCESS

The initial review from acceptance of a complete application to the first Subdivision Committee meeting with the applicant takes approximately 6 weeks depending on the complexity of the project. The time frame of subsequent reviews is as needed depending on the complexity of the revisions. It is difficult to predict the actual time needed to complete the subdivision process because each revision must be reviewed by the Subdivision Committee. This checklist is provided to inform the applicant of the review process and for County staff to track the process. Section 103 lists the general review criteria used to evaluate a subdivision for recommendation to the Planning and Zoning Commission and Board of Supervisors.

STEPS IN PROCESS	DATE
1. Schedule a final plat submittal meeting (Sec. 303.01) Allow about 2 hours for this meeting. The Planner will go over an extensive checklist to ensure that the plat and other submittals are complete that final plat is in substantial conformance with the tentative plat (Sec. 302)	
2. Planning Department transmits application to Subdivision Committee & other interested parties	
3. Internal Subdivision Committee meeting held	
4. Written comments mailed to applicant	
5. Subdivision Committee meeting held with applicant	
6. 2 nd submittal	
7. 2 nd Subdivision Committee meeting	
8. 3 rd submittal (Additional \$150 fee required)	
9. 3 rd Subdivision Committee meeting	
10. When the Subdivision Committee finds that all applicable requirements are satisfactorily met, the plat shall be set for action at the next scheduled Board meeting if all required materials are received at least fifteen (15) working days in advance of the meeting.

Section 103 of the Subdivision Regulations lists the items that the Commission and Board of Supervisors must take into consideration when approving a subdivision tentative or final plat. Please describe how the following issues are addressed in the letter of intent or attach an explanation to the Tentative Plat Application

- Is in accordance with applicable Zoning and Subdivision Regulations.
- Is in general conformance with the Comprehensive Plan and other applicable adopted plans.
- Is designed to be harmonious with the terrain and surrounding area with due regard shown for significant natural features such as trees or other significant vegetated areas, water recharge areas and washes, views, historical and archaeological sites and similar community assets.
- Has adequate public access and minimizes traffic conflict on arterial and county collector streets.
- Has subdivision streets that are coordinated with existing and planned streets and access is reserved for future development of nearby properties.
- Has a demonstrated sufficient supply of potable water that does not result in an unreasonable depreciation of an existing water supply.
- Would not create water pollution.
- Has an adequate sewage disposal system.
- Is designed to include reasonable methods to minimize water use.
- Is designed to include adequate methods to control dust during construction and control accelerated run-off, off-site erosion and to conserve water.
- Has adequate fire protection.
- Would not result in an unreasonable burden on the ability of County or other local governments or public service agencies to provide for streets, water, sewage, fire, police, hospital, solid waste, education, housing, recreation and other services.
- Is designed to include safety factors to address flooding, poor drainage, steep slopes, rock formations or other features likely to be harmful to the public health, safety, convenience or general welfare.
- Is designed with due regard for natural, historic and cultural resources.
- Has screening or buffering from incompatible existing commercial or industrial uses bordering the subdivision.
- Has provided adequate securities to ensure completion of subdivision on-site and off-site improvements.
- Is not subject to liens for delinquent taxes.
